The **regular board meeting** of the Town of Sampson was held on **Monday, March 4<sup>th</sup> 2019**. The meeting was held at the Sampson Town Hall. Clerk Reed gave a detailed **Treasurer's report**.

**PUBLIC COMMENT:**

Rick Plummer expressed his **concern about the lack of salt and sand** on the roads on the east side of the Township. He also was concerned about the **intersections** where the snow is piled so high it is very difficult to see. Chairman Richardson will speak to Patrolman Bill Richardson about this and try to get them cleaned up. The Board members were very pleased with the overall snow removal efforts of the Patrolmen. Very few complaints were received by them. February 2019 has produced more snow than there has been in many years.

**OLD BUSINESS:**

There was no old business.

**NEW BUSINESS:**

The **purchase of a new snow plow truck** was discussed. Supervisor Trowbridge will meet with the Chippewa County Highway Department and get cost estimates along with delivery times.

The Town will observe the **road ban notices** when Chippewa County sets them.

**Proposed bids for blacktopping** will have to be delayed until costs for snow removal involving fuel, salt and sand and part-time wages have been submitted. The town has almost exceeded the budgeted amount for salt and sand already. Fuel consumption has been high also.
